LIV FOREVER

never say zombie

What doesn't kill you makes you stronger.
Good thing she's already dead.

Liv Creep is dead. And she's pretty sure that makes her a monster. Her body parts sometimes fall off, the diet is (ew, you know), and she's sworn to protect the biggest secret in history—the dead live among us. But honestly, that's not even the worst part. The worst part is Ryan. The cutest guy ever. He would never like a girl like her. A dead girl. A freak.

Then when Kaitlyn Ashley, the school's meanest social media star, discovers Liv's crush and threatens epic social media humiliation, things get even worse. So Liv and her very human best friend, Di, devise the perfect revenge plan. The only problem is... if it doesn't work, Liv will have to admit what she really is. To the world. To Ryan. To herself.
